Dataset License

This license is an agreement between you and Snap Inc. ("Snap"). You agree to this license when you download, copy, or make any use of the dataset linked to this license or that is otherwise provided by or made available by Snap to you (the "Dataset"). This license only applies to such Dataset which consists of a list of various labels, strings, or links that will direct you to third party websites and databases containing information and images licensed by third parties. These websites and databases and all information and images contained therein or that are otherwise accessible from such websites or databases are subject to separate terms and not the terms of this license. You are responsible for reviewing, accepting, and complying with any third party terms of use or other restrictions applicable to the websites, databases, and any other content. In exchange for such permission to download, copy, or make any use of the Dataset, you agree to the following terms, conditions, and restrictions:

- You will use the Database only for non-commercial research and educational purposes.

- SNAP IS PROVIDING THE DATASET "AS-IS" AND THE USE OF IT IS AT YOUR OWN RISK. SNAP MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND REGARDING THE DATASET, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING BUT NOT LIMITED TO WARRANTIES OF NON-INFRINGEMENT, ACCURACY OR COMPLETENESS, THE PRESENCE OR ABSENCE OF ERRORS, FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, OR OTHERWISE. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THIS EXCLUSION MAY NOT APPLY TO YOU.

- You accept full responsibility for your use of the Dataset and will defend, indemnify, and hold Snap, including our affiliates and affiliated entities and their respective directors, officers, employees, agents, contractors, and consultants, harmless from and against any and all claims arising from your use of the Dataset, including but not limited to your use of any copies or modified versions of the data that you may create from the Dataset, and your access and use of any third party's websites and databases accessible from the Dataset including your access and use of any information and images contained therein or that are otherwise accessible from such websites or databases.

- SNAP IS NOT RESPONSIBLE OR LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOSS OF USE, DATA, OR PROFIT, OR BUSINESS INTERRUPTION) HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF YOUR USE OF THE DATASET, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

- You may provide research associates and colleagues with access to the Dataset provided that they first agree to be bound by these terms and conditions.

- If you publicly share, publish, or otherwise disseminate the Dataset you must include a complete and unmodified copy of this license.

- Snap reserves the right to suspend, terminate, or revoke your right to access or use (or both) the Dataset at any time.

- Any failure by you to comply with the terms and conditions of this license (including any breach by you of this license) automatically terminates this license with immediate effect and without notice to you.
- Where your right to access and use the Dataset has automatically terminated due to your breach or failure to comply with the terms of this license it will reinstate automatically as of the date the violation is cured, provided it is cured within 30 days of your discovery of the violation or upon express written permission of Snap.
- For the avoidance of doubt, the reinstatement to access and use the Dataset does not affect any right Snap may have to seek remedies for your violations of this license.
- If you are employed by a for-profit or commercial entity, your employer will also be bound by these terms and conditions, and you hereby represent that you are fully authorized to enter into this license on behalf of such employer.
- The laws of the State of California (without regard to that State's conflict of laws rules or principles) will apply to all disputes under this license.
- You will not use Snap's name, logo(s), or other identifying information or image for any purpose.
